

“Hundred Ways”

4th of January, 2010- 15th of January, 2010
 Week Seven and Week Eight
 Term 2

NurseryLearner Profile Focus: Caring and Communication

Personal and Social Development

Two new friends have joined our Class –Lina and Koki.We love our new friends.

We are practising using confident greetings with good eye contact.
 We are also starting to use our surnames during introductions.

Unit of Inquiry-Friendship Enhance our lives.

The students have designed a rubric for being a friends.
 It has for level
 Best Friend
 Kind Friend
 A little bit sad friend
 A sad friend.
 Depending on their behaviour the students move their picture through the levels.

Creative Awareness

The First Snow for 2010!!!!
 We made snow flakes by folding paper and paper cutting.

We also made our own glue.

Nursery Rhymes(Hand and finger strengthening activities):

This Little Piggy
 Dingly Dangle Scarecrow

Teddy Bear Teddy Bear

Mathematical

Awareness/Puzzles/Construction

We have been working with ½.

Fold a piece of paper in half, then half and half.
 Open it up and count the squares made by the folds.
 Each child counted 8 squares.
 They needed 12 squares –“Challenge Make 12”.

We also folded clothes. When we folded the clothes, we folded them in ½.

Phoebe Practised using positional Language while looking for possum.
 Open, inside, under,

Fred has been doing

puzzles..

We were the Authors and illustrators.</p> 	<p>Language and Literacy-Reading</p> <p>We have been sounding out words from word cards.</p> 

Unit of Inquiry:

Through play we express our ideas and new understandings.

The Hospital play has been the Red pandas favourite play. To help extend the play and to demonstrate new understanding we visited a medical centre.

Changes in play based on the hospital visit will demonstrate achievement of the Inquiry outcomes.
