

“Hundred Ways”

9th of April – 23rd of April, 2010

Week 7 and Week 8

Term 3

Nursery Learner Profile: Caring, Communication, Risk Taker, Inquirer, Knowledgeable

Personal and Social Development

We have started using blue merits. Blue merits are collected at assemblies and three are drawn out and prizes are awarded.

Our best friend Lina finished this week. We had a party with parachute games and Lina brought in a big cake to share with us.

Creative Awareness

Using the pictures we made last week we made picture frames.

We also made Merlions out of boxes. The merlion protects the people of Singapore. It is half lion and half mermaid.

Nursery Rhymes (Hand and finger strengthening activities):

Here are mothers knives and forks
Drop the Hanky-game
Johnny work with one hammer
Little Arabella Miller

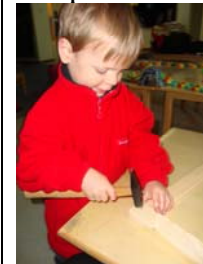

We put our puppets in the eggs we made.

Mathematical Awareness/Puzzles/Construction

We painted our different eggs.

We also counted our pieces of wood and nails.

Unit of Inquiry-
Central Idea-1. Friendship
Enhance our lives.

Happy Birthday Anavi

Physical Development
Gross Motor-Obstacle course

Fine motor-

Phoebe helped paint the

hairdresser sign.

Unit of Inquiry 2:
Central Idea-Through play we express our ideas and new understandings.

Our Town

We went to a hairdressers and shop to give us some ideas for our town.

Language and Literacy-Writing

We wrote cards to our friends and posted them in our letter boxes.
We wrote signs and made signs for our town.

Kosei, Tetsuya, Yuki and Yuya made signs for our airport

Language and Literacy-Reading

We played word games using beginning sounds and middle sounds.

Miss Seale wrote down the plans that had a list of things we need to do to finish our project in the town.

We told her what was needed on the list.

Unit of Inquiry 3:
Central Idea-All living things change.

We made nests for our eggs. We made them using pictures of the different nests different animal make.

Jared made a water home for his octopus.

Unit of Inquiry 4: Journeys teach us new things and give us new ideas.

We made a plane in our classroom and flew to Singapore. We looked at images of Tristan in Singapore. We learnt about The Formula 1 and night safari in Singapore. We also learnt about the Merlion.

Formula One

Night Safari
