

It's been an exciting past two weeks in the Eager Beaver classroom! We celebrated Terry's birthday on September 16th with a delicious cake and mini birthday party!

We've also been doing a lot of hands-on maths activities like making patterns, ordering, sorting and measuring.

We focused on the learner profile traits "Open-Minded" and "Reflective". As part of our afternoon wrap-up, we've been doing meditation to reflect on our days and share our feelings on how to be terrific students!

We've had some nice days outside but a few rainy days too – which has been great for hunting snails!

We've also welcomed a new student into the Eager Beaver Classroom – Alex! ☺

We've begun our inquiry unit "Who We Are" and we've been talking about healthy eating and choices! Thanks for sending in toothbrushes for all of us to brush our teeth together!

Year 1 Eager Beavers Newsletter

Term 1 Week 4 - September 25, 2009

I hope you all have a relaxing and fun two week holiday! Just remember to keep healthy by washing your hands frequently and keep smiling! ☺ I'll see you when you get back! Parents, I'll be sending home and updated time table the week we return to class as there have been some minor changes! Take care!

-Miss Melinda ☺
